MEGA PLUS – VARIATIONS ON LAMINATE

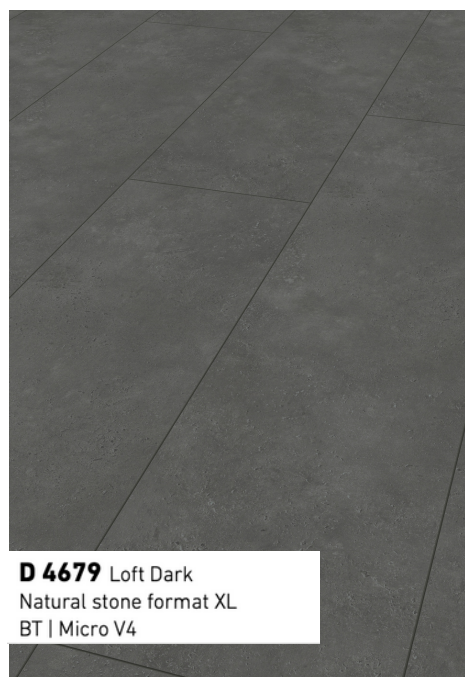

The collection for people who love the extraordinary – is MEGA PLUS. This product line offers you a wide range of design options with natural stone decors in a tile look in particularly wide panels with which you can create particularly vibrant floor patterns. With this wide range of décors, practically all your special wishes can be fulfilled. This means that practically anyone who wants to design their home in a particular individual way with a somewhat more unusual living ambiance can realize their ideas. Give free rein to your creativity!
